Re: Fraudulent Campaign Solicitations

Dear Messrs Hulser, Gonzalez, and Petalas:

I serve as General Counsel to Hillary for America (the "Committee"), the authorized presidential campaign of Secretary Hillary Clinton. It has recently come to the attention of the Committee that an individual or individuals appear(s) to be fraudulently and willfully raising donations in the guise of Secretary Clinton in violation of 52 U.S.C. § 30124. We request that you investigate this matter and take all appropriate action as soon as possible.

A piece of mail, attached hereto as Exhibit A, was recently delivered to the Committee's headquarters because it was undeliverable to the addressee. While the piece of mail did not come from the Committee and did not include a correct return address for the Committee, it was still delivered to the Committee by the U.S. Postal Service. As you can see, the attached card purports to be sent from "Hillary for America" and signed by "Hillary Clinton" on custom stationery, and thanks an individual for contributing to the Committee. Again, this card was not in fact signed by Secretary Clinton or sent by the Committee, and there is no record that Committee ever received any contribution from an individual named "Daniel Vishay," to whom the card is addressed.

We can only assume that the individual that sent this card from Santa Ana, California, and purchased the stationary from Reich Enterprises in Laguna Beach California, is raising funds for unknown purposes while pretending to be Secretary Clinton raising funds for the Committee.

Pursuant to 52 U.S.C. § 30124(b), "[n]o person shall—(1) fraudulently misrepresent the person as speaking, writing, or otherwise acting for or on behalf of any candidate or political party or employee or agent thereof for the purpose of soliciting contributions or donations; or (2) willfully and knowingly participating in or conspire to participate in any plan, scheme, or design to violate paragraph (1)." It seems plain that the true sender of the attached card is willfully engaged in fraudulently misrepresenting him or herself to solicit funds in violation of law.

We respectfully request that you undertake an immediate investigation of this matter, and promptly take steps to seek appropriate judicial relief to prevent future harm to the Committee.

Please do not hesitate to contact me if you have any questions or need further information.

Very truly yours,

Marc Erik Elias
